Date: June 17, 2021  
To: All Residents  
From: Management  
Re: Seal Coating of Roads: **July 12, 2021 - July 15, 2021**

---

Dear Residents,

As part of ongoing maintenance, ASI (Asphalt Services, Inc.) will be seal coating and striping the roads throughout the complex (*weather permitting*) starting **Monday, July 12, 2021**. Please **CAREFULLY READ** the enclosed map showing the dates each area will be seal coated.

**If you rent your unit, please note that it is your responsibility to contact your tenants to ensure that they have received this notice and are aware of this work.**

Your streets and parking areas will be closed in each section/area on the enclosed color coordinated map. All vehicles and anything that is on the asphalt in that section/phase **must** be out and off of the asphalt by **7:00 a.m.** and must remain out until **4:00 p.m. the following day**.

Any cars not in garages (for specified sections/dates) will be **towed** at the owner's expense – **NO EXCEPTIONS!**

Please note that if homeowners and/or their tenants walk or drive on the asphalt during the seal coating, the owner will be held responsible for any damage caused.

Please note that the garbage/recycling company will not be doing pick-up service on the 13th so you will need to plan accordingly.

We realize that this is an inconvenience, but it is necessary in order for the seal coating to dry properly. Thank you for your patience and cooperation during this work!

*If you have any questions please contact Management at the number above.*
